Sir,

I have the honor to forward for favourable consideration letter No.38 dated 14th October 1923 received from the President Municipal Council, Hole Narsipur and the connected records, requesting that Government may be pleased to waive the fine payable in respect of some agricultural lands acquired for the extension of the town. The Municipal Council, have hitherto paid a compensation of Rs.[illegible]/- on account of the properties acquired. A sum of Rs.[illegible] is payable by the Municipal Council towards the assessment for 25 years on some of the properties acquired in commutation of the liability to pay the assessment. It is stated in the resolution of the Municipal Council that in view of the fact that the Municipal Council have in spite of their limited resources already paid a considerable sum towards compensation, Government may kindly be addressed in the matter of exempting the Municipal Council from meeting this charge.

2. The normal income and the normal expenditure of the Municipality nearly balance each other. In view of the heavy outlay incurred on the acquisition of the properties and that required for laying out the extension, the request made, deserves favourable consideration.

I have the honor to be,

Sir,

Your most obedient servant,
